Cody Engine

The screenshot shows the Cody Engine interface. At the top, there is a blue header bar with the text 'Cody Play' and 'Book / Browser'. Below the header, there is a sidebar with a 'Dashboard' section and a 'Books' section containing a 'Book List' link. The main area displays a 'Book List' table. The table has columns for 'Book Id', 'Name', and 'Author'. It contains two rows of data. Below the table, there is a 'Rows per page' dropdown set to '5' and a '1-2 of 2' indicator. At the bottom right, there is a notification that says 'You have unsaved changes!' with a save icon.
